**All patients complete our information form before seeing the doctor.
FULL PAYMENT IS DUE AT THE TIME OF SERVICE.
For your convenience we accept cash, personal check or Visa/Mastercard.**

PATIENTS WITH INSURANCE COVERAGE

We accept assignment of insurance benefits from most insurance companies. However, we do require that your co-payment be paid at the time of service. The balance incurred is your personal responsibility whether your insurance company pays or not. Coverage amounts vary from policy to policy and this office cannot guarantee the amounts of coverage by your carrier. It is your responsibility to seek coverage amounts and limits of liability on your insurance policy, although we will also verify your benefits. You understand that your insurance policy is a contract between you and your insurance company. This office holds no party to that contract and likewise will not be held responsible in the event your insurance company denies any claims. Any excess monies collected by us will be refunded to you the day we receive the insurance check. In the case of an underpayment by your insurance company the remaining balance will be due within 30 days.

USUAL AND CUSTOMARY RATES

Our practice is committed to providing the best treatment for our patients. We charge what is usual and customary for our area. Each insurance company has its own formula for determining how much it will reimburse. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates.

DELINQUENCY

In the event your account is referred to an outside collection agency or an attorney, you will be responsible for the collection costs and/or reasonable attorney fees.
